2017 BUYER'S GUIDE

PAGE 1

Letter from Conference Committee Chair, Kara Vollmer &
ESAAL Executive Director, Lisa Newcomb

PAGE 2-9

Exhibitor directory

Dear Conference attendees:

More than 300 adult care facility/assisted living providers traveled to Turning Stone Resort for ESAAL's 38th Annual Conference and Trade Show. The trade show featured representatives from more than 40 companies who showcased their products and services designed for assisted living providers and their residents. Our exhibitors' participation helps to support ESAAL and it is important that we recognize their value to the assisted living provider network.

This **Buyers Guide** lists our trade show exhibitors, along with their contact information, and a description of their products and services. Please help us thank them by patronizing them when you are purchasing for your residence. Keep this booklet handy throughout the year and give our vendors an opportunity should you be seeking a product or service they provide.

Thank you for helping ESAAL and its supporters.

Best Regards,
