| 2018 Buyer's Guide

Empire State Association
of Assisted Living

Care • Community • Connections • Every Day

Dear Conference attendees:

Over 300 adult care facility/assisted living providers traveled to Turning Stone Resort for ESAAL's 39th Annual Conference and Trade Show April 20-May 3, 2018. The trade show featured representatives from more 42 companies who showcased their products and services designed for assisted living providers and their residents. Our exhibitors' participation helps to support ESAAL and it is important that we recognize their value to the assisted living provider network.

This **Buyers Guide** lists our trade show exhibitors, along with their contact information, and a description of their products and services. Please help us thank them by patronizing them when you are purchasing for your residence. Keep this booklet handy throughout the year and give our vendors an opportunity should you be seeking a product or service they provide.

Thank you for helping ESAAL and its supporters.

Best Regards,

Kara Vollmer, Administrator/Operator
