

## **Director of Resident Health Services - at The Highlands at Pittsford**

The Highlands at Pittsford (HAP), Rochester's premier senior living community offering a continuum of care, has a rare and exciting career opportunity for a Health Services Professional. This full-time position will lead the team who advocate for the health and wellness needs of 170 independent senior living residents and to fill the role of Program Manager for 62 Assisted Living Residents (ALR).

The candidate must have a proven track record of strong leadership, management and communication skills while displaying compassion, sensitivity, discipline and balance in meeting the diverse needs of the residents, their family members, employees and code requirements. The position requires 8 to 10 years of management and supervisory experience with a Bachelor's degree in Nursing (preferred) and extensive knowledge of DOH-ALR code requirements. This is a unique opportunity with career advancement.

Candidates should apply by email to:

Kim O'Grady-Jones
