

Ingersoll Place is special. You can hear it in the warm welcome at the reception desk and joyful banter among residents and staff. You can see it in the well-tended facilities and beautiful grounds, the artfully arranged dinner plates and chock-full activities calendar. But what truly makes Ingersoll Place special are the wonderful people who call it home. We are a non-profit, privately owned, Assisted Living Facility located on the border of Niskayuna and Schenectady. Stop by our facility to see for yourself, and you will want to join our team!

Exceeding expectations since 1924.

The Resident Care Director is responsible for all aspects of resident supervision, safety and personal care and for the system of medication management. This is a leadership position which involves the supervision of Resident Care Aides, Home Health Aides and LPN staff, as well as the coordination of services provided to residents within other disciplines and providers in the community. The ideal candidate will be able to work with multiple interruptions and communicate efficiently/effectively with residents, family members and staff as well as be a Registered Nurse (RN) in good standing, have previous experience caring for an elderly/dependent population and have previous management experience. Enjoy an excellent working environment and be part of a team that is dedicated to the highest level of resident care and services!
